We have two further properties close by, providing a greater selection of apartments to choose from.

Two Bedroom Apartments

Our two bedroom apartments are in boutique blocks with only 4 apartments in each. This gives guests the experience of being a 'local' in the heart of Mayfair.

Each apartment is unique in layout and décor. All are furnished in a traditional style with elegant living rooms, spacious bedrooms and comfortable bathrooms.

44 Curzon Street is situated in the centre of Mayfair, set between the two arches leading to Shepherd Market, with two sister properties very close by. The pedestrian area of Shepherd Market has a variety of shops, cafés, restaurants and pubs and retains a village atmosphere, though it's just five minutes from Piccadilly. London's best quality shops and couturier houses are within walking distance, as is London's celebrated theatreland.

Both Green Park and Hyde Park are just a few minutes from the apartments and offer peaceful walks and places to relax. In fact, 44 Curzon Street puts you at the heart of all that London has to offer.

Apartments offer a 6 day a week maid service and reception staff are on hand to arrange theatre tickets, sightseeing, restaurant reservations, car hire, chauffeur driven cars and airport transfers.

In addition, our resident manager ensures the smooth running of all day-to-day requirements, including newspapers, dry cleaning and personal laundry, and can assist with shopping for provisions, wine and flowers or ordering meals from local restaurants.
