

River Cruises

Exploring Europe in Comfort

A river cruise is the best way to see the real Europe up close and in depth. Your floating hotel will take you from one sightseeing highlight to the next, into the heart of the cities and through unspoiled landscapes.

Amadeus Waterways

Amadeus Waterways' itineraries journey along the rivers of Europe and Russia allowing you to explore fascinating destinations up close and in comfort. All-inclusive English speaking packages include deluxe river view cabins and gourmet meals (including wine with Dinner) and daily sightseeing excursions as specified in the itineraries.

There is no other vacation that can compare to this experience. Enjoy the most scenic views from your dining table; sun tanning in a lounge chair while cruising from town to town; if you don't feel like getting up then simply stay in bed and watch the castles passing by your panorama window.

Visiting at least one port a day on virtually every itinerary, you can explore small villages off the beaten track that are inaccessible via an ocean cruise. Often you will dock in the heart of town, giving more time to see the cities, not just travel to the cities. You'll experience ever-changing riverside scenery as well as local nightlife when your ship overnights in port.

All ships feature amenities reflecting a high standard of hospitality, spacious lounge and bar, elegant restaurant & generous sun deck.

With a maximum guest capacity of 140 to 160 passengers, your cruising experience will be intimate and friendly.
