

BED & BREAKFAST / SMALL HOTELS OF UK

You can discover over 300 historic bed and breakfast properties that are located throughout England, Scotland and Wales. Choose to either tour around Britain staying at our B&B's or enjoy a longer relaxing break at one of our guest houses. By travelling through this alternative Great Britain, you can holiday in properties which are quintessentially British, probably hundreds of years old, steeped in history, yet still providing all the modern comforts and conveniences to which one is accustomed.

There are properties at most locations around the UK - from the Cotswolds, Shakespeare Country, Snowdonia, the Forest of Dean, the New Forest and the West Country to East Anglia, the Lake District, Herriott Country, the Potteries and the Peak District.

(Following pages list locations of properties for England, Scotland, and Wales – we can provide further information and photos of properties in these locations.)
