

EXPLORE THE NETHERLANDS

A land made famous for its land-reclamation and its liberalism. It is a country of unique images – flat rural landscapes punctuated by windmills, church spires, peaceful canals, flowers and a coastline of dunes and beaches. From cyclists nirvana to inspiration for famous artists.

We have a choice of guided **coach tours**, guided **cycling tours**, options for **canal holidays**, or the flexibility of **independent tours**; or if you prefer to create your own itinerary then you can design your tour. If time allows, be sure to explore the countryside outside of Amsterdam.
