ORIENT EXPRESS HOTELS
TRAINS & CRUISES

Enjoy the **ultimate luxury train** journey.

The Royal Scotsman is a very special journey that transports the traveller in glorious style on one of the world's great trains.

The Royal Scotsman is an effortless way to experience Scotland in absolute luxury with just a few fellow travellers (the train accommodates only 36 guests). You can give yourself over entirely to the care of the crew, and let everything unfold in its own good time. It is like being back a century ago when people took time to enjoy life and service was practically unlimited in quality and quantity.

The train wends its way through some of the most breathtaking scenery – the majesty of the Scottish landscape. The contrasts of the changing landscape are stunning, through sweeping glens, past towering peaks and black mirrored lochs. With the train stabled at night in a quiet siding or station you are assured a good night's sleep.
