

## AMADEUS WATERWAYS PREVIEW OF THE 2007 SEASON

**Eurolynx is pleased to provide a preview of the 2007 sailing season for Amadeus Waterways.**

Please note that the dates of the departures are based on a USA package, which includes the flights ex USA – for New Zealander's simply wanting the cruise only (or cruise + land add-ons package) the departure date for the cruise is one day later than the date listed.

Also, please note that the prices are in USD – the amount payable in New Zealand is simply the USD amount converted to NZD (the exchange rate used is based on when you make your payments of the deposit and final balance).

### NEW FOR 2007:

Black Sea Voyage – Budapest to Istanbul

Paris to Istanbul

Grand Danube Cruise – Prague to Istanbul

(Please ask us for draft itineraries)

Cruises that are the same as for 2006 are based on the 2006 brochure itineraries.

A river cruise is the best way to see the real Europe up close and in depth. Your floating hotel will take you from one sightseeing highlight to the next, into the heart of the cities and through unspoiled landscapes.

*Amadeus Waterways'* itineraries journey along the rivers of Europe and Russia allowing you to explore fascinating destinations up close and in comfort. All-inclusive English speaking packages include deluxe river view cabins and gourmet meals (including wine with Dinner) and daily sightseeing excursions as specified in the itineraries.

There is no other vacation that can compare to this experience. Enjoy the most scenic views from your dining table; sun tanning in a lounge chair while cruising from town to town; walk 100 yards from your cabin into downtown; if you don't feel like getting up then simply stay in bed and watch the castles passing by your panorama window.

Visiting at least one port a day on virtually every itinerary, you can explore small villages off the beaten track that are inaccessible via an ocean cruise. Docking in the heart of town, you'll have more time to see the cities, not just travel to the cities. You'll experience ever-changing riverside scenery as well as local nightlife when your ship overnights in port.

All ships feature amenities reflecting a high standard of hospitality, spacious lounge and bar, elegant restaurant & generous sun deck.

With a maximum guest capacity of 140 to 160 passengers, your cruising experience will be intimate and friendly.

*Information and rates based on information as at May 2006.*

*Where given NZD rates are a guide only, and are subject to tariff and exchange variance.*
