

GOTA CANAL - SWEDEN

Enjoy an **unrivalled and unique** journey.

Enjoy a cruise with the Gota Canal Steamship Company on the most spectacular waterway in Sweden. Glide through the shifting landscape. During forays ashore and overnight stops you will have the opportunity to go on guided tours to some of the foremost sights of Sweden. You can even borrow a bicycle to explore the surrounding countryside.

Gothenburg – Stockholm: four or six days

The traditional cruise in either direction between Gothenburg and Stockholm has been on the schedule almost every year since the shipping line was established in 1869! On the shorter cruises, the boat usually travels on during the night while you are asleep. The longer cruise allows time for stops and shore excursions along the way.

On this cruise you will pass one river, three canals, eight lakes, 66 locks and travelled on two seas!

Sailings scheduled May through to September.

Prices from NZD 1,800 for the four day cruise; NZD 2,750 for the six day cruise (per person – twin share).

Motala – Stockholm: 2 days

Enjoy the beautiful eastern section of the Gota Canal, taking you from Motala on Lake Vattern to the idyllic town of Sokerkoping (or vice versa). On the way pass Borensberg with its well known Gota Canal hotel, two aqueducts, Lake Roxen and Lake Asplangen, and Berg with its impressive flight of 11 locks.

Sailings scheduled in July and August.

Price from NZD 650 for the two day cruise (per person – twin share).

The ships

There are three handsome historical boats. M/S Juno was built in 1874; M/S Wilhelm Tham in 1912; and M/S Diana in 1931. They have been carefully maintained and preserved to re-create the atmosphere befitting this historical journey. No TV's or radio – even a watch seems unnecessary.

Cabins are cosy; comparable in size to a sleeping compartment on a train. They include a washbasin, with showers and toilets being shared. The number of cabins on the ship varies between 25 and 30.

Included are first-class meals – breakfast, lunch and dinner.

Eurolynx can also assist with arrangements pre and post cruise accommodation, rail, ferries and other travel arrangements.
